2009 Halloween

Pub Crawl

5hundy presents it's 2009 Halloween Pub Crawl!

We're lucky enough to have Halloween fall on a Saturday this year so we felt it would be fitting to gather all the masses, yet again, and set off on a spirited pub crawl.

COSTUMES REQUIRED! (unless you want to be teased of course.)

We've narrowed the schedule down to 10 very select bars for this crawl. The starting point will be the fittingly Shady Lady Saloon. Be there at, or before, 6:00 pm to get in with the main group.

This year we will be ending at the new River City Saloon in Old Sac for a dance & karaoke party. So stick around to howl into the mic and stumble to some top 40 music. No cover charge and all pub crawlers welcome!

As with all pub crawls, remember to keep a few "courtesies" in mind. First of all, 10 bars can be a lot to the average person, make sure and keep it to one drink per bar so that you last the entire trip and don't end up lost in the gutter. Stick with a group of people and try to buy drinks in rounds. 200+ money transactions for a bartender can take quite a while. And for everyone's sake, please bring cash. Don't try to use your credit card at every bar. Pub crawls are very fun and social events, let's make sure everyone has a great time and keep the drama non-existent. We want these bars to welcome us back every year.
